

General Cabell

Matt Baird has suggested that you invite Admiral Wooldridge to lunch preceding the presentation to the National War College staff, faculty, and student body. Recommend signature on the attached proposed letter to Admiral Wooldridge extending this invitation.

The attached guest list assumes that Admiral Wooldridge will bring his three Deputies and may have to be changed.

If you approve of the letter please return it to me so that the Office of Training may handcarry it, ascertain the guest list, etc.
